Major Tasks Underway

- Drafting ON TO 2050
- Kick-starting post-plan implementation
- Incorporating 2050 into CMAP's work and work plan
- Stakeholder meetings (*as requested*)
- Planning for engagement:
 - Stakeholders
 - The general public
 - The launch event

- Introduction
- State of the region/the three principles
- Engagement
- Topical Chapters (working titles)
 - Place (land use)
 - Environment
 - Economy
 - Governance
 - Mobility
- Technical and process appendices

2050 Draft Plan Committee Process

- Each committee will discuss at least two topical draft chapters at committee meetings
- Environment & Natural Resources Committee will see:
 - Environment
 - Mobility
 - Other chapters pending March meeting materials
- Additional options:
 - The CMAP Board will discuss short versions of all chapters
 - The Planning Committee will discuss all chapters (pending approval of an additional meeting)
 - Other committees

2050 Draft Review Timeline

- **February-March:** Distribute **draft plan sections** to committee members and interested stakeholders
- **April:** Discuss the **proposed RSP list** at Transportation Committee. Begin broad stakeholder engagement (through summer).
- **June 15th-August 14th:** Public comment and engagement
- **September 2nd:** Send **revised draft** to all committees
- **September 12th:** Planning Committee and Board discuss the **revised draft**
- **September 21st:** Send **Draft ON TO 2050 Plan** to Transportation Committee
- **October 10th:** Board and MPO **approve ON TO 2050**

2050 Written Comment Process

- **February-March:** Distribute **draft plan sections** to committee members and interested stakeholders
 - Stakeholders will have up to three weeks to provide written feedback on each section
 - Staff will follow up with edits and responses
